(At Camosun College only, different at UVic)

Readines& Preparation foS Success

- The BSN program is challenging and rewarding.
- If possible take your 100-level English, Indigenous studies, and elective ahead of time
- Financial Aspects
- Support Network (family and friends)
- Balancing multiple responsibilities

Program Participation Requirements

- **A negative TB skin test or a negative chest x-ray.** Evidence must be dated no more than six months before the program start date. Students are responsible for the cost of testing.

- **Immunization status, and be prepared to provide proof of vaccination.** Students are highly recommended to maintain current immunizations as per the Provincial Practice Education Guidelines: spe.healthcarebc.ca

- **Standard First Aid and Basic Life Support, including the airway management and oxygen therapy courses.** Basic Life Support must be renewed yearly while in the program.
